

**Martin Currie**

**Senior Commercial Negotiator  
(Energy Transition)  
Eni UK**

**Director, Liverpool Bay CCS Limited**

Mr. Currie has over 35 years' experience in the oil and gas industry with background in Reservoir Engineering and Technical Management.

Since 2018, he has focused on business development for CCUS in the UK, leading Eni's efforts to deploy CCUS in the UK.

Since joining Eni in 1996, he experienced various global roles, Asset Manager in Angola, Technical Manager in Nigeria, Deputy Petroleum Manager in Egypt and Reservoir Manager in Eni UK.

Prior to joining the company, he worked at British Gas as Petroleum/Reservoir Engineer.

Mr. Currie holds M.Sc (Hons) Petroleum Engineering, Imperial College, London and B.Sc Civil Engineering, Leeds University.
