Daein Cha

Director

deepC Store Pty Ltd

With over 25 years of oil and gas, energy and resources industries experience combined with extensive for profit and non-profit venture start up and management experience, Daein specialises in small and large scale energy business development, major capital project management, commodity sales and trading, and entrepreneurship.

Daein joined Tokyo Gas Co., Ltd in 1998 and has since served roles of increasing responsibilities including Manager of LNG procurement & trading, and Manager of LNG upstream business development. Daein joined Chevron Australia (Chevron) in 2012 as Deputy Business Manager and in 2014 as Deputy Project Manager for the Gorgon Expansion Project. He also served on the Project Leadership Team to manage the development of Chevron's Gorgon Stage 2 and Jansz-IO Compression projects.

Daein has taken on the role as the Founder and Director for Transborders Energy since November 2016, and as Founder and Director for deepC Store since August 2021.

Daein received his Bachelor's degree in Management from the International Christian University (Japan), Masters in Business Administration (MBA) from the University of Virginia Darden Graduate School of Business Administration (USA), and qualification as Certified Cost Professional (CCP) of AACE International accredited by the Council of Engineering and Scientific Speciality Boards. Daein is also a certified member of the Association of International Energy Negotiators (AIEN) and the Society of Decision Professionals.
